

## **DWI Class Information**

As a condition of your probation, you have been ordered by the Judge to complete two classes. One is the Substance Abuse and Driver Improvement Program and the other is the Victim Impact Panel put on by Mothers Against Drunk Driving.

Both classes are offered online or in-person. You may choose whichever is better for you.

Once you have completed each class you will be given a certificate of completion. You must turn those certificates in to the Probation Office to get credit.
